The debate over the bill to raise the drinking age back to 21 continues, and we are amused at some of the arguments both ways. The idea of merit pay for teachers won't work. We like paying folks for the work they do, but that is a free enterprise tool and gets bogged down in the rules of government and/or union (teachers' associations). We rarely agree with the AEA or the NEA because they appear to be more interested in teacher pay raises and increasing dues-paying members than in better education for my STEVE SPURLIN children; but this time we find ourself opposing the merit pay for teachers and for about the same reasons.

The fleeing felon law in Alabama is up for debate with proposals that it be changed. The law itself is okay, but some law officers are using it as an excuse to shoot first and ask questions later. The Babe Ruth and Dixie Youth baseball seasons may be over, but there is still plenty of action left as the All-Stars from both leagues take the field next week in tournament action. The Babe Ruth tourney will be in Elba and the Dixie Youth event will be in Greenville, so, make your plans to watch at least a couple of games.

NEW COMPLEX TO OPEN NEXT WEEK

Weather permitting, the new softball complex will open on Monday night and three games will be played to inagurate the beautiful facility. Only one of the three fields will be used on opening night, but Tuesday two fields will be in action as the girls softball league moves in and before long all three fields will be lighted up every night of the

The complex still needs some work, most noticably the road and parking lot; however, it should be completed this week, leaving only a general cleaning up of the grounds left to do. Heavy rains could cause problems that might delay the opening, but right now all things are go and the countdown is on.

DIXIE YOUTH LEAGUE HONOREES

The choice of "Player of the Year" is Dixie Youth Baseball took a lot of thought and many hours of digging thru scorebooks; however, the choice soon became clear

Greg, a pitcher-shortstop for the league champion Mets, excelled in all aspects of the game. At the plate, Hanchey got a league-high 24 hits and finished third in batting with a .600 average. On the mound, the hardthrowing righthander pitched 31-innings, allowing only 23 hits and 12 runs. He walked only 19 batters, while striking-out 70. No doubt about it, the "Player of the Year" was Greg Hanchey!

The "Rookie of the Year" honor also goes to a Met -Hayden Young. Hayden was one of the league's smaller players, but had a good season both on the field and at the plate, where he batted a lofty .400. In year's to come this youngster could be one to watch!

13-YEAR OLD STARS HANGING TOUGH

The 13-Year Old Babe Ruth All-Stars are still competing in Andalusia, and no matter what happens this week, the kids have done a good job. They opened the tourney with an upset win over a tough Andalusia team in a game that started on Monday and didn't end until Thursday (due to rain), then rebounded from a loss to Opp The All-Stars and their coaches put in a lot of hard work getting ready and have represented Elba well. Con-

gratulations on a good tourney.

Keith Bragg, an All-American baseball player at Troy State this past season and a well-known softball player from the Elba Exchange Bank team, has signed a pro baseball contract with the Greensboro (North Carolina) Hornets, a Class A farm club of the New York Yankees. Bragg started off in his second game with the team and ripped 2 hits, knocking-in 3 runs and stealing a base. He injured his knee on the stolen base, but isn't expected to miss much action, and should jump right back in the line-up when given the okay.

Bragg's start in Class A ball should give him experience and he's hoping to jump to "double-A" next year. Good luck, Keith, all your friends in Elba are supporting you all the way!

A RELAXING FOURTH.

I spent my one-day holiday baby-sitting my 4-month old daughter and I'm proud to say both baby and daddy survived. In-between feedings and diaper changes we go a chance to play and sleep, and dad even got a little writing done. It was my first all-day babysitting, so, this fourth
